

Make a Gift – Give a Mulligan.

FailSafe-ERA is organizing its 2nd Mulligans for Kids Golf Tournament Fundraiser to break the cycle of incarceration. According to the National Institute of Corrections, more than five million U.S. children have had at least one parent in prison at one time or another.” The children of our region are not unaffected by this reality, with tens of thousands of inmates living in Virginia correctional facilities. Critical early intervention can give these children a second chance to thrive and break the cycle of incarceration.

Critical early intervention can give these kids a chance to thrive and break the cycle of incarceration. Your donation through a Sponsorship, Raffle Prize, Gift Card, or Goody Bag Stuffer contributes to FailSafe-ERA’s work, giving a second chance to those who need a **mulligan** - *in life*.

Thank you for showing how much you care about the future of children most vulnerable in our community, through no fault of their own: Children impacted by the incarceration of a parent.

Sponsorship / Donation Types
